walloomscoick also spelled walmscock wallamschock wallamsac wolmseec and walmsook is a dutch word signifying walloom s patent

live free or die the life times of john stark is the story of how the american revolution s best battlefield commander triumphed over the self interest of others to play a major role in securing victory for the new republic most often referred to as the hero of the battle of bennington john stark also played pivotal roles in the battle of bunker hill and the battle of trenton in the french and indian war he saw continuous action along the richelieu river lake champlain corridor as a member of rogers s rangers in the end he became

the conscience of the rangers when he voiced his disapproval of the motives and tactics of group leader robert rogers stark s actions at bunker hill when his militia troops repeatedly repulsed british advances avoided a disaster that would have snuffed out the rebellion he was a modest man whose actions always spoke louder than words and his incomparable leadership that day was all but ignored by new hampshire s rebel governing authority at trenton stark was in the vanguard of washington s right flank along the river road it is likely that he also had a major role during both the battle of princeton and the springfield raid though it is difficult to know for certain as most contemporary accounts are offered by those seeking self glorification a quality unknown to stark his reward for his well proven ability to lead troops in combat was to be repeatedly spurned when congress appointed general officers not one of those officers could challenge stark s record on the battlefield completely frustrated he quit the army and returned to his farm and sawmill in new hampshire three months later with the british under john burgoyne threatening to overrun new hampshire vermont and new york he was persuaded to return he did so on the condition that he would take no orders from any officer of the continental army what happened next is where john stark s story becomes even more interesting in live free or die the life times of john stark william r baker jr has deftly interwoven the remarkable story of one of this country s most self reliant and original personalities with a lively and informative account of the early america he helped to create

in 1636 roger williams recently banished from the massachusetts bay colony because of his religious beliefs established a settlement at the head of narragansett bay that he named providence this small colony soon became a sanctuary for those seeking to escape religious persecution within a few years a royal land patent and charter resulted in the formation of the colony of rhode island and providence plantations which incorporated williams original settlement and espoused his tenets of freedom of religion and separation of church and state during the ensuing decades thousands of baptists quakers jews and huguenots relocated to rhode island from other new england colonies the british islands and europe in search of religious freedom one such individual john thomas an immigrant from wales made significant contributions to early settlements at jamestown on conanicut island and at wickford on the nearby mainland of rhode island he was the first town constable of jamestown in 1679 and later owned hundreds of acres of land in the towns of north and south kingstown this fully indexed work traces and sketches the lives of his descendants many of whom were at the forefront of the great american westward migration and represents the most comprehensive compilation of them to date it is the result of twenty years of extensive research and includes detailed information from military pension archives will and estate records agricultural data county histories and migration patterns that far exceeds the standard for genealogical works of this scope and magnitude it is important for us to remember those who helped shape our nation this work provides valuable information for those who are interested in this family and its evolution in america

june and dec issues contain listings of periodicals

during the seven years war sir john st clair served as deputy quartermaster general with british general edward braddock s

disastrous campaign to capture fort duquesne at the forks of the ohio in 1755 st clair had great responsibilities during the campaign and was the first deputy quartermaster general in north america s history history has laid a litany of blame at braddock s feet he was old slow logistically naive a martinet poorly versed in tactics uninterested in his soldiers welfare and unwilling to cooperate with the colonists based on a new transcription of st clair s correspondence this comprehensive study of braddock s logistics offers a radical reinterpretation of the general and his campaign the author also presents an examination of st clair s role as quartermaster during brigadier general john forbes subsequent and successful campaign against fort duquesne in 1758

the encyclopedia of new york state is one of the most complete works on the empire state to be published in a half century in nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of new york state as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life the encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history did you know that manhattan s lower east side was once the most populated neighborhood in the world but hamilton county in the adirondacks is the least densely populated county east of the mississippi new york is the only state to border both the great lakes and the atlantic ocean the erie canal opened new york city to rich farmland upstate and to the west entries by experts chronicle new york s varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state s diverse regions and peoples into one idea of new york state lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the encyclopedia is key to understanding the state s past present and future it is a crucial reference for students teachers historians and business people for new yorkers of all persuasions and for anyone interested in finding out more about new york state

discusses the british artillery forces during the valcour island campaign of 1776 and saratoga campaign of 1777 offers a tactical logistical and command function assessment of the artillery using primary sources and highlights the various types of artillery pieces used during the campaigns
